

Safeguarding Statement

May | 2022

Responsible Committee: Clinical Governance

Date Effective: May 2022

Author:

Supersedes: New statement

Next Review Due: May 2024

Version Number: 1.1

Comments (details of change):

Our Commitment to Safeguarding

SELDOC has been providing quality healthcare for 25 years. We recognise our statutory responsibility to protect patients from the risk of harm. As such, we are committed to ensuring that appropriate and timely action is taken, if potential harm is identified. We want to make sure we are looking after all of our patients and safeguarding those who are most vulnerable.

The statement was approved by the board of directors.

Steven Pink, Director
SELDOC
